A SUPERB MASTER-BUILT HOME IN THE HEART OF NORTH WARD

Rarely available, this uniquely designed and master-built home will delight at every turn.

A soaring architectural void at the entrance welcomes you to this masterfully crafted home, giving a hint of the care and planning taken to achieve this dream. Modern and elegant with crisp lines, this home is a rare treat - even the driveway is a joy to look at! Glass louvers, panels and doors throughout the two levels fill the home with breezes and light and tones of champagne and stone provide warmth and ambience.

The stylish kitchen sits at the head of the house, with Caesarstone benchtops, glass splashback, an oversized island bench, double oven, and an abundance of storage with large draws and pantry. This area is flooded with natural light and a view to the entrance.
